

Health Assessments tab

Below lists any Health Assessments recorded within the Child Looked After (CLA) Pathway or in the Health Record.

The screenshot shows the 'Child Looked After' pathway interface. On the left, a flowchart illustrates the process, with 'Child Looked After' highlighted in a red box. On the right, the 'Child Looked After' details panel is visible, showing the 'Looked After Details' tab selected. Under the 'Health Assessments' section, it indicates 'No Health Assessments recorded' and features a red box around the 'Add a new Health Assessment' button.

1. Click "Add a new Health Assessment"
2. Enter the examination/requested and result **dates**, as required
3. Pick the **Status** from the drop-down selection
4. Enter a **description** and **notes**
5. Use the checkbox to specify whether the **parents were present**
6. Click **Create**

Create **Cancel** - New Health Assessment Record

Additional Information

Notes: [Text Area]

Once created, the Health Assessments will be displayed in the Health Assessment tab and the child's health record.

The screenshot shows a user interface for health assessments. On the left is a sidebar menu with the following items: Current Episode of Care, Active Care Plan, Plan Summary, Visits, PEPs, Health Assessments (highlighted in blue with a red border), and Period of Care. The main content area is titled "Health Assessments" with an orange dot icon. Below the title is a table with the following data:

Examination Date	Description	Status	Parent / Carer Present?
04-Mar-2022	"Add in the descri...	Completed	Yes

Below the table is a link: [Add a new Health Assessment](#)

NOTE: Alerts can be received in the work tray for overdue Health Assessments
