Date of Supervision – This is the date of the Supervision.

Role – this is the worker role that will be looked at – for example, if Allocated Social Worker is selected, the search will be for Supervisions where the worker had that role
Involved Professional – This is the worker for whom the Case Supervision is to be created.
Case Supervisor – This is the Case Supervisor who is completing the Case Supervision record.
Status – This allows you to enter in a choice of 3 status: Active, Completed, Cancelled when searching for Case Supervisions

Once all the information has been entered in, you can click on **Search**. If, after searching for a Case Supervision, there are no returns to match the criteria, you will get the following message asking you to change the criteria. If after searching, no results are found, click on **Create New**:
