What we can do

Help if you find it difficult to understand things

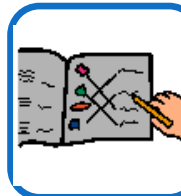

Help you to let people know how you feel and what you want

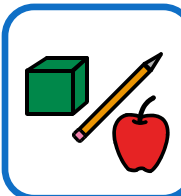

This might be by talking

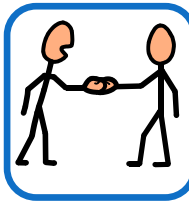

Using Makaton signing

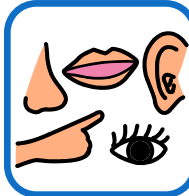

Using pictures, photos, symbols or words

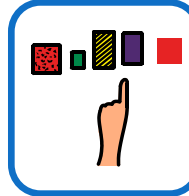

Using objects

Help you to know how to talk to friends and other people

Help you to engage with your environment and the people in it

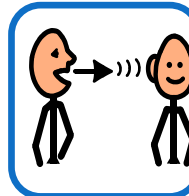

Help you to make choices

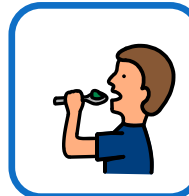

Help if your communication problems make you angry or sad

Help people to understand you, maybe by making a communication passport

Help your staff or family to communicate with you

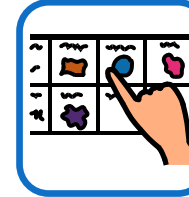

Help if you have problems eating or drinking

How we will do this

Talk to you and your family or staff—find out what you are good at and what you find hard

Do some work together, maybe some tests

Agree on some things that will help you
