# Edge of Care Team

Supporting young  
people and families

## Why have the Edge of Care team contacted me?

The social worker who has been working with your child has identified that your family may benefit from the support we can offer.

The Edge of Care team want to help your family improve relationships, stay together or support your child/ren returning home, depending on your circumstances.

## Who are the Edge of Care (EoC) team?

We are a team of specialists who have lots of experience working closely with families who are facing challenges. We also work with everyone involved in order to support you better.

We are flexible in our approach in how we can work with you and our intervention is usually around six months, depending on your circumstances.

Your child's social worker will continue to work with you, and we will keep them updated about the progress that we make together.

## How we will work with your family

- **Develop positive ways to cope with different situations**
- **Identify and build personal and family strengths**
- **Help you see ways you can change things for your family**
- **Supporting you to access relevant services in the community**
- **Listen to you and ensuring your voice is heard**
- **Help you set goals we can work on together**

## What does our work look like?

**Where:** We can meet you at home, at school, at our base or in the community

**When:** Usually we meet every week or fortnight

**Things to do:** We can do talking individually or as a family, play games and do practical activities etc
