What impact is the current situation having on the person's
Wellbeing?

What strengths does the person have and what networks of support can they draw upon?

What Information and Advice can be provided?	What opportunities to prevent, reduce or delay needs for Care and Support exist?	What are the indicators (if any) that further support, assessment or review is needed?
How would it need to be provided?	Which prevention services could be provided?	Who would be best placed to carry out any further intervention?
What will the likely impact be on Wellbeing?	What will the likely impact be on Wellbeing?	How quickly is support, assessment or review required?
What arrangements need to be made to follow up on information and advice given?	Will the person need any information, advice or support to access the prevention service?	Will the person have any difficulty being involved in the support, assessment or review? If so do they need advocacy?
