

## **List of Solicitors**

We have provided a list of firms below who are all independent from the Local Authority. The Local Authority does not endorse or recommend any firm over the other. This list is not exhaustive, and you are free to approach a firm that is not listed below that specialise in children and family work.

If you are the parent of the child, or another person who has Parental Responsibility, then in most cases you will be entitled to legal aid to cover all of your legal costs (irrespective of your financial circumstances). If not or for any other type of application, you may be entitled to legal aid and a solicitor will be able to advise you of this at the time when you contact them.

If you need further assistance in contacting a solicitor you can contact or visit the law society website <http://solicitors.lawsociety.org.uk/> or alternatively telephone them on 020 7320 5650 (Monday to Friday from 09:00 to 17:30)
