Guidance to completing an SC1 contribution on the EHCP Hub

- 1) Search for child using the first few letter of the case reference in the email you received (copy and paste does not work)
- 2) Click on the child, then arrow next to your name where it states "Response pending"

This will take you to the contribution page:

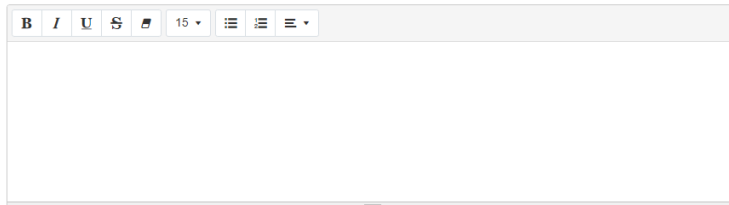

The screenshot shows a web interface titled "Request for Advice". Below the title, it states "Assessment process under Section 36 (1) of the Children and Families Act 2014". A paragraph of text explains that a decision has been made to carry out an EHC needs assessment and the user is requested to provide advice within a 6-week statutory time frame. At the bottom of the page, there are four buttons: "Close", "Download", "Save Changes", and "Submit Advice".

- 3) Fill in the questions with a * only

Keep these answers brief, these answers do not appear on the EHCP

Try to balance the Strengths and Needs

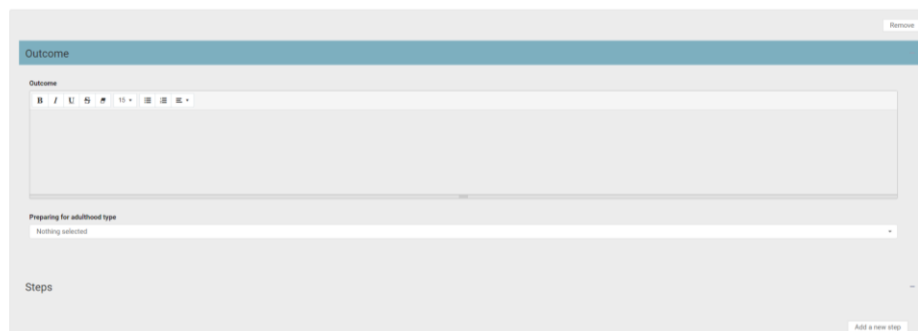

Ensure the Needs correlate to the outcomes and provision in the next section

6) Add Outcomes

What are the long-term outcomes to be achieved?

Long term targets should include the child or young person's outcomes for the next key stage. Outcomes should be SMART (specific, measurable, achievable, realistic, time-bound) and should specify if they are education or training outcomes.

Ignore Steps

7) Add Provision

Choose H1 or H2 (see flowchart below for guidance)

Support Need – is the need i.e. to access specialist holiday club

To be provided by – is the provider i.e. CEDA holiday club

***Please also add “/Devon’s Disabled Children Service” to each i.e CEDA/ Devon’s Disabled Children Service**

Ignore staff/student ratio

How much/Quantity – is the amount i.e. 13 sessions per year

How often – is the frequency i.e. To be used in the holidays

***Please also add “This provision will be reviewed on an annual basis”**

The form has a green header and several input fields: 'Type of social care provision recommended' (with a dropdown menu), 'Support needed' (with a text area), 'To be provided by' (with a text field), 'Staff / student ratio' (with a text field), 'How much / Quantity' (with a text field), and 'How often' (with a text field). There is a 'Remove' button in the top right corner.

**Please add each outcome separately,
the provision can be duplicated for each outcome where applicable.**

EHCP Social Care Provision: Section H1 or H2?

The social care provision section of an EHCP is in two parts: H1 or H2. Please use the flowchart below to help you decide whether the services we are providing comes under H1 or H2.

H1 refers to services provided under the Chronically Sick and Disabled Persons Act 1970.
H2 refers to services provided under the Children Act 1989.

If the child is open to Early help, or a mainstream children's social care team with a CIN, CP or CIC plan in place then social care provision is always under the Children Act 1989 (H2).

For **Disabled Children's Service** please see flowchart below to help you to work out whether provision should be defined in H1 or H2. It is possible that a child support plan could be a mix of provisions under H1 and H2.
