

Young Persons Training Flat Application

Your Name:

•

Date of Birth:

•

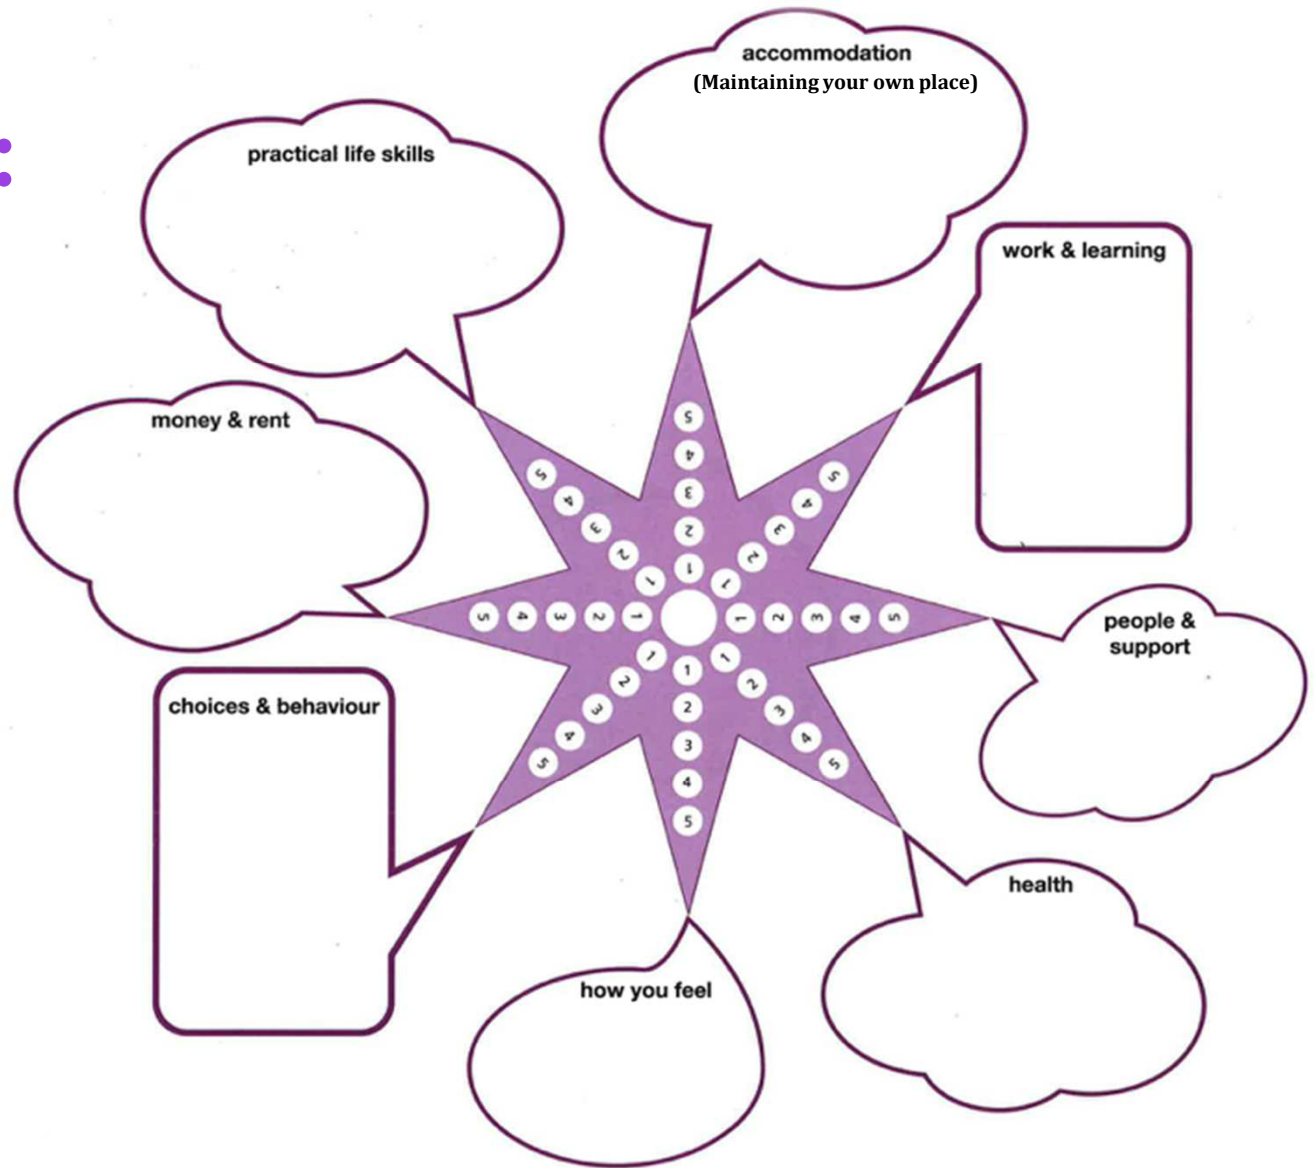

Describe your current accommodation

•

Self- Assessment: (1 - 5)

Your self-assessment will help provide a clearer picture of what stage you think you are at in developing key areas of your independence skills.

Simply select a number (1-5), the higher the number you chose would suggest you feel more confident in this part of your journey towards independence and lower numbers suggest you might need *more* support to further develop your skills and success in that particular area.

Tell us about things that are working well for you?

Is there anything that you are worried about?

What would you like to achieved during your time in the training flat?

How are you going to get there?

Where will you be in 6 months?

Where will you be in a year?

Anything else you want to tell us about?

What does independence mean to you?
