

Important Updates May 2020

New Scenarios on the One App

My Education Went live here on 20th April. It can be used for Personal Education Plan (PEP) meetings or for a child/ young person to tell their worker about various areas of their education

My Life New scenario in May 2020. A child / young person can tell their worker about their feelings and what is important to them.

Recite Me - Accessibility for disabilities and different languages

'Recite me' is available on the One App for children / young people to use it in their own language (there are over 100 different languages available) and this translates into English. It also makes the One App more accessible for those with disabilities, include sight loss and dyslexia. For more information click on the link

<https://mindofmyown.org.uk/recite-me/>

Safety Link

The 'Safety Link' on the Service Portal highlights when a child / young person is feeling unsafe and the Participation Team have alerted workers when needed.

DON'T FORGET...

My Wellbeing – used by a child / young person to tell you how they are feeling about lots of areas of their life. This is really important right now!

Return from missing - used after a young person has been missing to find out what is going on for them and what would help them.

Get ready for a meeting – helps a child/young person prepare their thoughts for a meeting with professionals e.g. child in care review or Child in Need meeting

Prepare for a Child Protection Conference – Can give their views about their life and how they feel

How did the meeting go? - Can let you know whether they felt listened to or what could be done better

Sort a problem - Can let you know if they have a problem or they don't feel safe

Share my Good news - Can tell you something they have done or achieved
