## Reviewing EHCPs using the EHC Hub

Devon's EHC Hub is now being used to plan and prepare for reviews of Education Health Care plans (EHCP).

If you or your service are currently involved with a child or young person with an EHC Plan, you should be invited at least once every 12 months to attend a meeting to review the plan in place.

If you are unable to attend the meeting you can still contribute your views using the EHC Hub

Professional Guidance can be viewed and downloaded here

Your views should be shared at least 2 weeks prior to the meeting to allow them to be shared with all those attending before the meeting takes place.

For technical support please contact [01392 380434](tel:01392380434) or [educationsystems@devon.gov.uk](mailto:educationsystems@devon.gov.uk)

To support professionals involved with ECHP reviews we have asked education settings to give as much notice as possible that a meeting will be happening.

We have asked they give at least a 16 weeks' notice whenever possible.

You will receive your invitation through the EHC Hub
