

Wirral Lifelong Learning Service

Our ESOL (English for Speakers of Other Languages) classes enable families and individuals to learn the language, integrate successfully into British life and provide future opportunities for volunteering and work.

My classmates are very friendly, the teacher is very good, and I have learned more and more English - it helps me so much. The teacher is very clever, she teaches us in a way that is easy to understand.

Tabata enrolled in ESOL Entry Level 3

This course has been good for me as I hope to become a UK citizen in 2024. I knew about London but did not know about the area where I live.

Ahmed enrolled in Introduction to Citizenship

I have attended a series of courses to develop my English and increase my opportunities of returning to work.

Elena enrolled in ESOL Conversation

These courses are designed for people whose first language is not English. They range from Pre-Entry (for those with no English Skills) to Entry Level 3. National qualifications are available at Entry level 1, 2 or 3.

- We will place you on the right course for you to improve your speaking and listening, reading and writing skills.
- We have courses for complete beginners and improvers.
- Our tutors are fully qualified, highly experienced and bring a wealth of knowledge to the classes.
- Wirral Lifelong Learning is working with Refugee Action, DWP, Wirral Strategic Housing and Investment, Wirral Multicultural Organisation and Wirral Change to support ESOL learners.
