

The Children's Services Procedure Manual

WHAT?

Did you know that the Surrey Children's Services Procedures Manual is easily accessible and available online?

The Manual contains many of the vitally important policies and procedures that you should refer to in the course of your daily working practice.

WHERE?

On your PC

The Manual can be accessed online by clicking [here](#).

The Manual can then be saved as a 'favourite' in your browser ready to access whenever you need it.

On your mobile or tablet

Access the Manual [here](#) and then using the settings in your device (normally indicated by the following symbol '≡' in the top right hand corner of the screen) you can add a link icon to your device's homepage.

HOW?

Information on how to use the Manual is available [here](#).

REGISTER FOR UPDATES

The Manual is continually amended with new and updated content. You can register for these updates [here](#).

CONTACT

If you encounter any issues accessing the Manual please contact James Haley, the Practice, Policy and Procedure Co-ordinator, on:
