

This process will support Private Fostering Reviews

When the local authority become aware of a private fostering arrangement. A private fostering review should be held within 3 months of the arrangement becoming known and annually thereafter. The request for the review will come into the QRT In Tray via Liquid Logic

QRT will allocate an IRO and confirm the date/time and venue of the meeting with the IRO and Social Worker

The Social Worker will invite all relevant people to the private fostering review

Any reports from multi agency professionals should be sent to QRT at CYPSQRTSecure@durham.gov.uk 7 working days prior to the review

The Private Fostering Review Form should be completed and approved on Liquid Logic 3 working days prior to the review

Following the Private Fostering Review the notes of discussion of the review meeting will be completed within 20 working days of the review
