

1

Person to roll onto their side.

Carer inserts rolled Slide Sheet under person.

**2**

Person to roll onto their back.

Carer to unroll Slide Sheet.

**2b**

Alternatively - Person to roll onto their other side, and Slide Sheet unrolled (if required).

- N.B.**
- If bed side rails are in situ, lower prior to rolling person on bed.
 - Ensure bed is at appropriate height for carers.
