

TERMS AND CONDITIONS

- These Moving and Handling Information Sheets are intended as general guidance on safe practice for the benefit of Occupational Therapists, Health Care professionals, clients, carers, and care agencies. In conjunction with their own previous training and experience, as part of a “Moving and Handling Care Plan” and are not intended to assist or be used by inexperienced members of staff or the public and all manufacturer guidance and product documentation should be followed irrespective of these Moving and Handling Information Sheets.
- That the use and implementation of the techniques suggested are undertaken entirely at the risk of the person doing so and the person being cared for and neither the Council nor its Adult and Children Social Care Directorates will accept any liability in contract or in tort for any death, injury, loss, damage to property, losses, claims, demands, actions, proceedings, damages, costs or expenses or other liability whatsoever or howsoever suffered or caused by or consequential upon the use of these Information Sheets PROVIDED THAT nothing in this clause shall limit or exclude the liability of the Council or its Adult and Children Social Care Directorates for:
 - (a) death or personal injury or damage to property caused by negligence on the part of the Council or its Adult and Children Social Care Directorates or its employees or agents; or
 - (b) any matter in respect of which it would be unlawful for the Council or its Adult and Children Social Care Directorates to exclude or restrict liability.
- That these sheets are not intended to provide any endorsement or approval by Bournemouth Borough Council (or its Occupational Therapists) of any product whatsoever.
- That the physical assistance of another person or persons should always be sought where the circumstances so require.
- That the advice and assistance of an appropriately trained or qualified person, should always be obtained if the user is in any doubt as to the best way to proceed or the method to adopt in the particular case.
- That the suggestions and recommendations of these Instruction Sheets are general in nature and may not always be relevant in the particular case, because of other factors, and should not be relied upon exclusively.
