# PREVENT REFERRAL PATHWAY

Prevent is 1 of the 4 elements of CONTEST, the Government's

Prevent is about safeguarding children, adults and communities and

providing early intervention to protect and divert people away from

It is important to remember that safeguarding vulnerable people

from radicalisation is no different to safeguarding them from other

counter-terrorism strategy. It aims to stop people becoming

## WEST BERKSHIRE

terrorists or supporting terrorism.

being drawn into terrorist activity.

forms of potential harm.
