Family Group Conference (FGC) Service

*"United voices
Better choices"*

What is a Family Group Conference (FGC)?

Every family needs help from time to time. The people around you may be able to offer support to you and your family. An FGC is a meeting where you, your family, friends, and anyone who is important to you can come together and plan to help make things better.

Your FGC Coordinator will help arrange the meeting and will talk to you beforehand to:

- Ask you how you would like to take part.
- Hear about who and what is important to you.
- Understand what you need.
- Understand what you want to happen.

Your views are the most important part of making the plan and your FGC coordinator will support you to take part in a way you are comfortable with.
